- Self-Study on online learning
- Self-Study of Facilitation
- Faculty development provided on IPE/ICP
- Faculty development provided on HIV/AIDS
- Faculty development provided on online learning
- Faculty development provided on facilitation
- Other \_\_\_\_\_
- Did not do any specific preparation

---

Were you provided with any estimated amount of time that you should expect to spend on the Interprofessional Collaboration in HIV Care program? if Yes - please provide the # of hours you were told to expect.

- Yes \_\_\_\_\_
- Not sure
- No

The amount of time I felt I was expected to spend on the Interprofessional Collaboration in HIV Care program was:

- Much more than I expected
- More than I expected
- About what I expected
- Less than I expected
- Much less than I expected

How can the faculty preparation for the Interprofessional Collaboration in HIV Care program be improved?

---

How would you rate your overall experience as a faculty member in the Interprofessional Collaboration in HIV Care Program?

- Excellent
- Good
- Average
- Poor

Please respond to each of the following statements about the Spring 2018 Program.

	Strongly Disagree	Disagree	Agree	Strongly Agree	Not applicable
The Learning Objectives were fully addressed in the curriculum.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The curriculum materials were appropriate to achieve the learning objectives.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The mix of professions in the program worked very well	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I increased my interest in interprofessional education	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I felt very well prepared to work with an interprofessional group of students.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I learned something that I consider valuable as an educator.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Increased my knowledge of Interprofessional Education	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I increased by knowledge of Interprofessional Collaborative Practice	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

I increased my knowledge of HIV/AIDS Care

The students learned a lot about Interprofessional Collaborative Practice

The students learned a lot about HIV Care

I felt appropriately rewarded for my contribution to the program.

Please comment on any statement in the previous question to which you gave a Disagree or Strongly Disagree rating.

\_\_\_\_\_

Please comment on any curriculum materials or learning activity that you felt was valuable or could be improved.

\_\_\_\_\_

Please provide any comments you have on the clinical or community placements of the program.

\_\_\_\_\_

Would you plan to participate in the program again next year? Please provide comment on your choice as appropriate.

Yes \_\_\_\_\_

Maybe \_\_\_\_\_

No \_\_\_\_\_

---

Please comment on how any aspect of the program or your interaction with local MATEC partner (communication and organization, facilities, etc.) can be improved to enhance your experience or the students experience of the Interprofessional Collaboration in HIV Care program.

\_\_\_\_\_

---

Please comment on the sustainability of the Interprofessional Collaboration in HIV Care program considering things such as student interest, faculty availability, relevance of the content. Include any thoughts on how to make the program sustainable - such as development of a credit bearing course or certificate.
