

Updated Resources for People with HIV: Guidance During COVID-19

Dear Providers and Partners:

We are excited to release a new interactive resource for your Minnesota patients. The **"COVID-19 & HIV Resource Guide"** covers a range of topics as they relate to the COVID-19 pandemic, including:

- Suggestions from local HIV providers
- Guidance for patients if they are feeling sick
- Guidance for getting vaccinated
- Practicing safe sex during COVID-19
- Locally tailored HIV and harm reduction community resources

Both of these resources will be regularly updated, so please continue to use the link to access the most up-to-date information. We encourage you to share these resources widely with your patients and colleagues.

We want to thank our Minnesota HIV clinicians who provided us with local updates. Your time and feedback are always greatly appreciated.

Best regards,

Sarah Rybicki, MSW, MPH, Director
